**Summary of Legislation:** The bill expands the coverage of the Do Not Call List to include mail sent to consumers in Indiana through the United States mail soliciting the sale of consumer goods or services or a charitable contribution. It changes the name of the list to the "Do Not Contact" List. It provides that a consumer may list either the consumer's residential telephone number or the consumer's mailing address, or both the consumer's residential phone number and mailing address, in the do not contact list. The bill also changes the name of the "Consumer Protection Division Telephone Solicitation Fund" to the "Do Not Contact Fund", and it repeals an obsolete definition.

**Effective Date:** July 1, 2011.

**Explanation of State Expenditures:** *Summary* - The Consumer Protection Division will incur administrative expenses relating to the inclusion of consumer mailing addresses to be placed on the quarterly listing of individuals who do not wish to be contacted by solicitors.
